

HOSPITALITY RIDER

We don't usually ask for much - if anything! But it would be really cool if we could have:

- Bottled water
- Some beers
- Crisps or snacks of some sort (NO NUTS pls!)
- Sweets (Debs has a mad case of Haribosis)
- Directions to a nearby chicken or kebab shop
- Large printed photo of your fave robot from Robot Wars

Anything else you can provide will be greatly appreciated and accepted with gratitude, but please note NO NUTS due to allergies in our crew!

Cheers in advance!
